Model Answer to Describe a person who solved a problem in a smart way IELTS Cue Card

- Everyone deals with issues throughout everyday life
- Some individuals have an incredible good judgment and can take care of issues without freezing
- Here I might want to discuss my auntie Pami, who tackled an issue in a truly cunning manner
- I recall it was around a half year prior

- My auntie and uncle had gone to our place and my mom was getting ready supper for them
- As my mom was placing salt in the cheddar curry, the container of salt slipped from her hand and a ton of salt fell into the dish.
- As my mom had not set anything up else she began freezing since it was at that point dinnertime
- My auntie came into the kitchen when she saw that my mom was looking disturbed
- She advised my mom not to freeze by any stretch of the imagination
- She worked some batter and put 3 to 4 wads of mixture into the curry
- After around 15 minutes she eliminated the entryway balls and requested that my mom taste the curry
- There was no overabundance salt in the dish any longer
- My mother would not have had the option to take care of this issue all alone
- She had begun feeling that the entire curry dish would need to be tossed and she would need to cook the dish once more
- But my auntie saved the circumstance, and no one even came to realize that the issue had occurred
- My auntie Paramjeet is an incredible cook, and she can fix her supper for 20 individuals in only 60 minutes
- She additionally directs cookery classes throughout the mid year excursions
- She is in her mid-forties yet looks a lot more youthful.
- Whenever anybody in our family deals with any issue, they look for her assistance for an
