- Who he/she was?
- Why you didn't like this person?
- And explain why you were friendly to him/her on that occasion?

Model Answer to Describe a time you were friendly to someone you didn't like IELTS Cue Card

- During youth, I had a cohort, Rajesh, who was extremely brimming with himself.
- He consistently used to cause others to feel like they were mediocre compared to him.
- That's the reason, during schooldays, I attempted to keep away from him however much

I could.

- However, around one month before the end of the year tests for ninth norm, he met with a mishap.
- He missed a ton of classes thus.
- So, in the wake of recuperating, he inquired as to whether we could show him what he missed.
- No one in the class helped him due to his disposition.
- The following day, my mom caught me advising one of my companions how Rajesh merited it.
- After hearing this, she disclosed to me that paying little mind to his past mentality I should help him.
- I was hesitant from the get go, however I paid attention to my mom.
- I considered him and revealed to him that I will sit with him an hour after class each day till the tests.
- During these examination meetings, I became more acquainted with him better.
- I became more acquainted with that as opposed to being egotistical, he was in reality exceptionally unassuming.
- He was simply not a decent communicator.
- His selection of words was a significant justification him putting on a show of being inconsiderate and egotistical.
- He realized individuals didn't care for him, however he was neglectful with regards to the justification it.
- After the tests, I began welcoming him to my home alongside my different companions.
- As they became more acquainted with him better, they additionally turned out to be old buddies with him.
- Till now, we are for the most part old buddies and meet each other frequently.
- Recently, I asked mother for what valid reason she made me help him.
- She revealed to me that it was the proper thing to do.
- Helping our companions doesn't make us kind, helping individuals we don't care for is the genuine graciousness.
- Because it is managed with no genuine assumption.

Speaking Part 3 Follow-Up Questions to Describe a time you were friendly to someone you didn't like

1. Why are people friendly with the person they don't like?

I think the primary explanation is that they don't need the individual to realize that they don't care for him/her.

Individuals feel they may require some help from the individual later on and if the individual realizes that they don't care for him/her, the person will not help them.

2. What kinds of people are usually friendly?

You might consider me innocent, however I genuinely accept that larger part of individuals on the planet are truly amicable.

I likewise accept that individuals in provincial regions will in general be more amiable than metropolitan regions, however that is a direct result of the high speed and upsetting life in urban communities.

3. What are the differences between being friendly and polite?

I think consideration is about words while being agreeable is about our activities. I can decay something pleasantly, yet I wouldn't view myself as amicable in the event that I did as such.

4. What do you think about people who are always straightforward?

I think these individuals are really the best individuals on the planet for one can generally anticipate a legit answer from them. Notwithstanding, I additionally accept that it is almost difficult to be direct constantly.
